

*The ISPOR SERBIA CHAPTER First International Conference  
9-10 March 2009. Belgrade, Republic of Serbia*

## **POSTER GUIDELINES**

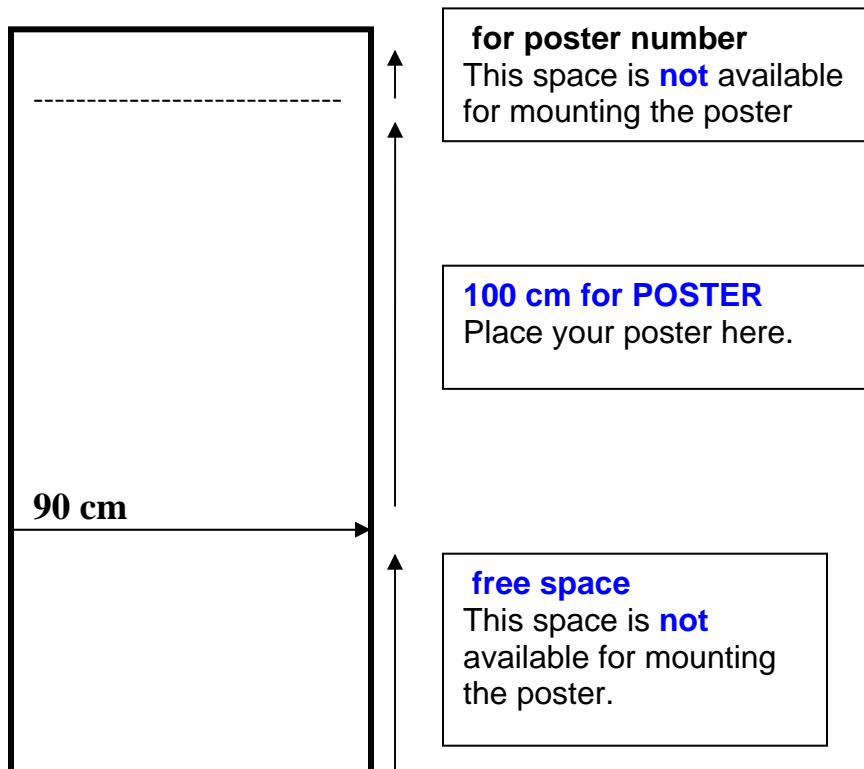

**NOTE: posters are higher than wide (see also picture below).**

### **FINAL POSTER SIZE:**

Available surface for posters will be **238cm x 95cm height.**

**Compact posters printed on ONE LARGE SHEET OF PAPER (or equivalent material) are HIGHLY PREFERRED.**

If you cannot print posters on one sheet, we will provide a background sheet of white paper (90 cm wide / 100 cm high) and you can use Scotch (provided by the conference) or other sticky tape to mount individual e.g. A4 or letter size paper sheets. If possible, please bring some sticky tape to assure that you can mount your poster without any delays.

9-10 March 2009. Belgrade, Republic of Serbia*

## **MORE INFORMATION**

1. We will provide your poster number at the top part of your poster board, as shown in the picture above. These top 15 cm will NOT be available for mounting the poster.
2. Please include poster title, authors' names and all institutions where the work was performed.
3. Contact information should be given on the poster.
4. We suggest that posters should be structured into the following sections:
  - o Abstract (optional)
  - o Background
  - o Methods
  - o Results
  - o Discussion
  - o Conclusion(s)
6. Inclusion of the abstract text on the poster is OPTIONAL.
7. Please HAND-CARRY the PRINOUT of your poster area.

**PLEASE DO NOT SEND YOU POSTER TO THE CONFERENCE SITE VIA COURIER OR MAIL.**

8. Thumbtacks for your poster will be provided at the conference site. If you prefer another kind of fixing your poster, please bring the required material to the exhibition site.
9. The exact date and time of the poster exhibition sessions will be made available in the final program.
10. At least one author has to be available at the poster during the poster viewing session of your poster to present and discuss your work.
11. **FINAL Information on POSTER SIZE now available:**  
Available poster surface will be **90 cm width x 100 cm height**
